RECOGNIZING TWO DOG NET

**HON. GEORGE RADANOVICH**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 19, 1999*

Mr. RADANOVICH. Mr. Speaker, I rise today to recognize Two Dog Net, a unique Internet environment designed specifically for children. It features a complete security system providing educational and entertaining children's content, secure email, games and more. Two Dog Net is the gateway to The

Children's Internet, a collection of over a million pre-approved Internet pages accessed through Two Dog Net's "kid friendly" search engine.

Two Dog Net is based in Northern California. Its mission is to become the dominant Internet portal for children ages 3–14 and their families, by featuring the unique combination of security, educational programming and compelling animation and sound. The company developed its patent-pending Safe Zone Technology which provides safe browsing for children Internet users.

Two Dog Net has an award winning creative team that knows how to produce educational and entertaining content that children love. Two Dog Net uses animation and sound to captivate young users. The Company was de-

veloped by educators, who applied the Two Dog Net educational standards to all aspects of the development process. Two Dog Net will also be accessible in two languages including Spanish, Portuguese and French.

The content of Two Dog Net is both personalized and age-specific. Children can get their name on their home page, and a special greeting on their birthday. Each age group offers fun and innovative themes for kids to choose from, making it fit their individual personalities.

Mr. Speaker, I want to commend Two Dog Net for their child-safe Internet environment. I urge my colleagues to join me in wishing Two Dog Net many more years of continued success
